## July 2020

At our June ZOOM meeting we decided to schedule the **AGM for Saturday 15<sup>th</sup> August at 10am**. It could be held in the Community Hall which will allow 40 with appropriate social distancing - or maybe out on the netball court, weather permitting, if necessary. Morning tea will be provided.

El Presidente will present achievements over the last 12 months and give insights into the excitement awaits us in 2020/21. **If you would like to nominate for Committee, let us know before Friday 7<sup>th</sup> August 2020.**

Community discussion of the proposed **Reserves Master Plan** has been on hold for COVID reasons. **Council** is now considering when and how this can be done given current circumstances.

This Plan will guide expenditure on our Reserves for the next 5-10 years.

### Current Activities

**Hall Extension:** BHPA has provided further information to the Stronger Country Communities Fund to trigger the release of funds for the proposed verandah addition to our Hall. Still a bit more paperwork to go but we are hoping to get things moving before much longer.

**4 Station Exercise Pad:** We have applied to the Community Building Partnership Program for a grant to purchase this equipment which is suited for adults and teens - to be located near the playground at Rainbow Beach.

**Public Art:** Meeting between mural artist Kim McLean, Council's Georgina Perri, and local artist Brian Barker regarding the mural replacement at Rainbow Beach. Possibilities for involving younger members of our community in an art project were also canvassed.
