

It was time for a change at the helm of the BHPA Committee.
Welcome and Congratulations to our new President, Paul Polewski.

Paul on left, with past presidents Theo and Roger.

In Kathy's words "There are visible signs of BHPA impact in every part of our little village and all of these have a **Roger stamp on them**. Pathways, safety measures along the roads, playgrounds and picnic tables, recreational areas, conservation, beautification, and restoration are evident wherever we look."

The hat, the boots and the passion

In the wind:

- **We are waiting with bated breath to see if our Grant Application** for upgrading the parking area adjacent to the Community Hall is successful.
